**WHY JUMP OUT OF A PERFECTLY GOOD PLANE?
TO HELP THE BREAST CANCER FOUNDATION OF WA!**

The best thing of all is that you can have all that fun by doing a “Tandem Skydive” or “Accelerated Free Fall (AFF) Skydive” and support the Breast Cancer Foundation of WA at the same time. Skydive Express has a special event on 27th and 28th March 2010, and all YOU need to do is fundraise a minimum of \$429 any way you like, the more you raise, the more that goes to BCFWA. Have as many people as possible sponsor you to skydive and come play with Skydive Express, Western Australia's largest and most professional skydiving company and winner of the 2002 & 2001 WA Tourism Awards - Adventure Tourism category.

To ensure your place, you will need to fill in the details on the attached form and send it with your \$100 deposit (if paying by cheque or money order, make payable to Skydive Express) ASAP, and we will send you all the required information to begin fundraising your money.

- All final payments **MUST** be received by Friday 19th March 2010.
- The amount you need to raise is a minimum only (of which \$100 goes to BCFWA), anything above that amount will go directly to BCFWA, so don't stop when you hit \$429. Remember, the more you raise, the more BCFWA benefit.
- Your deposit guarantees you a place for the weekend, so be sure to get this in to us as soon as possible. It is a **NON REFUNDABLE** deposit, so if you do change your mind, your money will not be refunded - Sorry...!
- An air-conditioned licensed bar & café and main building, swimming pool, sauna (which we start up at night), bathroom facilities and the great outdoors are all there for you to use. York is about 5 minutes down the road for those of you who wish to play tourist.
- Non-powered camping sites are available free of charge for those who are jumping. Please bring your own tent etc. Free bunkrooms are available on a first in, first served basis for jumpers - BYO linen (or \$15 including linen, to be booked beforehand). For all non-jumpers a \$10.00 dropzone fee will apply if staying overnight (\$15 including linen).
- What to wear for the jump - loose casual clothing ie: trackies/leggings/shorts, t-shirt and sneakers. Lace up hiking boots (the type with hooks) and shoes with large heels are **UNACCEPTABLE**. We give you a jump-suit to wear over your clothes for the jump.
- Saturday night tends to be a bit of a big one, so you are more than welcome to join us for dinner, chat to the staff and jumpers and make new friends. Remember, you can camp at the Drop Zone if you've had a few too many at the bar.

Can't make our scheduled event? How about organising your own date! Minimum of 10 participants required. Phone Skydive Express for further details.
